This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of MCI Communications Services, Inc. (“MCI” or “the Company”) to modify its name to add d/b/a Telecom*USA and for a waiver of the requirement to maintain a \$5,000 surety bond to offer prepaid phone cards. A Notice of Filing was published with regard to the name change in newspapers of general circulation. No protests or petitions to intervene were filed.

We have examined this matter and approve the requested name change to add d/b/a Telecom*USA. MCI states in its request for waiver of the surety bond requirement that, since it is a facilities-based carrier in South Carolina, it should not have to post the bond. We agree, and do hereby waive the requirement for the \$5,000 surety bond.

This Order shall remain in full force and effect until further order of the Commission.

G. O'Neal Hamilton, Chairman
